

Child Wellness Policy

Our household will follow this child wellness policy as we participate in the Children’s Ministry at Western Hills Church:

- As a parent or legal guardian, I have read and agree to the on-campus participation policies for Phase 3 of Merging Back.
- My family and I (this includes anyone in my household) have not been sick within the past 14 days. This includes fever, vomiting, diarrhea, cough, unexplained or contagious rash, or any respiratory issues.
 - If a family member has been sick within the last 14 days with something other than COVID -19, I will bring a doctor’s note (virtual consultation, urgent care, doctor’s office, etc.) stating that the child and family are clear to attend normal school and/or church activities.
- My family and I have not been in direct contact with someone who has tested positive for COVID-19 in the last 14 days, or all exposed have produced a negative COVID-19 test result since having contact.
- My family and I have not traveled internationally or to a known hotspot outside the OKC metro area within the last 14 days; or returning family members have produced a negative COVID-19 test results since returning.
- I understand that Western Hills Church is doing all they can to keep my child and my family safe and healthy. I also understand that there is no guarantee that my child will not be exposed to or acquire COVID-19 or some other illness while on campus. I understand this risk and will assume all liability for my child’s participation at Western Hills Church. I will not hold Western Hills Church and/or its representatives liable in any way. If me or a member of my household contracts COVID-19 while attending a WHC activity or on its campus, I will not hold Western Hills liable for my illness, including any expenses.
